

Completing these 5 simple Bridal Registry steps will earn you an in-store gift card!

A soon-to-be bride often asks us how she can help her friends & family make the most of her registry at our store. We have put together a checklist of five easy steps to help you and your guests. When you complete these five steps, we'll give you a gift card.

- Add your picture to your online registry. People love to see your picture when looking at your gift registry list.
- Write in some comments about the pieces you just selected. For example: "This vase is going to rock the mantelpiece", or "Looking forward to our first Thanksgiving (or brunch) on the new china". Your guests will love to know why the piece they selected is meaningful to you.
- Share your registry's URL on your official wedding website. (e.g. TheKnot.com) We'll give you the exact URL.
- Share your registry's URL via your social media accounts such as Facebook, Instagram, etc.
- Please review us. Tell us what you like, what you don't like, and how we can better serve you. You are welcome to review us via social media or send us an email.
